SPORT SCIENCE & MANAGEMENT (SSM)
REGISTRATION INSTRUCTIONS
Semester 1 2018-2019
(First Year Students)

1. REGISTRATION OF COURSES

It is the responsibility of students to follow the registration procedure and to complete the required Academic Units (AU) for the semester.

The standard academic load for first year SSM students in Semester One is 6 courses (18 AU), which comprises of 3 SSM Core courses, 1 General Education Requirement (GER)-Core course and 2 other SSM Major Prescribed Electives (PE) i.e. SS9XXXX sport elective /or General Education Requirement Prescribed Electives (GER-PE) /or Unrestricted Electives (UE).

First year SSM students are automatically NOT allowed to overload more than 18 AU in Semester One through the registration system, STARS.

Students who wish to exceed the maximum overload of 18 AU are to email the course registration coordinator with information on the course code and title for approval. Approval is only granted to a specific course you wish to overload.

1.1 SSM Core Courses

All first year SSM students are automatically enrolled in the following SSM Core courses in Semester One:

- SS1101 Human Anatomy and Physiology (3 AU)
- SS1102 Introduction to Sport Management (3 AU)
- SS1104 Introduction to Health and Wellness (3 AU)

Students are also automatically enrolled in the following GER-Core courses:

- SS0111 Sport and Culture in Singapore: A Sociological Perspective (3 AU)

* Online self-paced course

These courses are automatically allocated to you by the system. Students need NOT register for them through the registration system, STARS. Core and GER-Core courses are compulsory and students will NOT be allowed to drop them.

If any of these core courses are not allocated to you, please alert the course registration coordinator immediately.
1.2 SSM Major PE/ GER-PE/ UE

Students are expected to read 2 more courses of their choice (subject to course vacancies), either selecting an SSM Major PE i.e. SS9XXX sport elective or any GER-PE or UE offered by any school in NTU.

To view the entire selection of SSM Major PEs, GER-PEs and UEs offered for the semester, click here.

You will NEED to put these courses on a waitlist to be allocated through STARS, during the ‘Add/Drop’ period commencing daily from 10:00 am to 10:00 pm from 13 August 2018 (Monday) to 26 August 2018 (Sunday).

Notes on GER-Core, GER-PE and UE:

GER-Core courses are segmented into 5 areas including Communication, Singapore Studies, Ethics, Environmental Sustainability and Entrepreneurship and Innovation. These courses are compulsory for all students.

GER-PEs are classified under 3 sub-areas of interest: Business & Management (BM), Liberal Arts (LA), and Science, Technology & Society (STS). These courses are offered to students from all programmes.

According to the SSM Curriculum structure, students are expected to fulfill a specified number of AU per area in the entire course of their study. Refer to Annex 1 for the SSM curriculum structure and recommended AU progression. To view the selection of GER-PEs offered for the semester, click here.

UE refers to any other courses offered at the School and University level but do not count as Core or GER-PE. You can select any UE offered by any School in NTU, not just UEs offered within SSM. To view the selection of UEs offered for the semester, click here.

UEs can be used to fulfill the requirements of a minor programme offered by other Schools in the University. For more details on undertaking a minor:

http://www.ntu.edu.sg/collegesandprogrammes/Pages/MinorProgramme.aspx

2. COURSE RECLASSIFICATION POLICY

Students are only allowed to change course classifications for courses registered in the current semester during the Add/Drop period through STARS and this is limited only to GER-PE and UEs. Requests to reclassify courses after the Add/Drop period or for graded courses completed in previous semesters are considered appeals and will be strictly considered on a case-by-case basis.

Requests to reclassify SSM sport electives from PE to UE will not be allowed. Requests to transfer a (P)rescribed sport elective to another student to be taken as UE will also not be entertained.
3. **COURSE COORDINATORS**

If students have any queries pertaining to the SSM academic programme, they may contact the course coordinators at **ssm@ntu.edu.sg**.
