**Notes on GER-Core, GER-PE and UE:**

GER-Core courses are segmented into 5 areas including Communication, Singapore Studies, Ethics and Moral Reasoning, Environmental Sustainability and Entrepreneurship and Innovation. These courses are compulsory for all students.

GER-PEs are classified under 3 sub-areas of interest which includes Science, Technology & Society (STS), Business & Management (BM) and Liberal Arts (LA). These courses are offered to students from all programmes.

According to the SSM curriculum structure, students are expected to fulfill a specified number of AUs per area in the entire course of their study. Refer to Annex 1 for the SSM curriculum structure and recommended AU progression. To view the selection of GER-PEs offered for the semester, click here.

UE refers to any other courses offered at the School and University level but do not count as Core or GER-PE. You can select any UE offered by any School in NTU, not just UEs offered within SSM. To view the selection of UEs offered for the semester, click here.

UEs can be used to fulfill the requirements of a minor programme offered by other Schools in the University. For more details on undertaking a minor: http://www.ntu.edu.sg/collegesandprogrammes/Pages/MinorProgramme.aspx

**2. COURSE RECLASSIFICATION POLICY**

Requests to reclassify courses after the Add/Drop period or for graded courses completed in previous semesters are considered appeals and will be strictly considered on a case-by-case basis.

Requests to reclassify SSM sport elective courses from PE to UE will not be allowed. Requests to transfer a (P)rescribed sport elective course to another student to be taken as UE will also not be entertained.
